D.III	ECIR ROADMAP- ANNEX		2022 2023						
Pillars	Indicators	1st Q			4th Q	1st Q	2nd Q		4th Q
	Death rate of malignant neoplasms Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2011-2019	-							
	Death rate of malignant neoplasm of breast  Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2011-2019	-							
	Death rate of malignant neoplasm of colon, rectosigmoid junction, rectum, anus and anal canal	-							
	Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2011-2019  Death rate of malignant neoplasm of stomach								
	Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2011-2019  Death rate of malignant neoplasm of trachea, bronchus and lung cancer	I							
	Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2011-2019								
	Death rate of malignant neoplasm of liver cancer Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2011-2019	•							
	Death rate of malignant neoplasm of prostate cancer Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2011-2019	•							
	Death rate of malignant neoplasm of cervical cancer Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2011-2019	-							
	Estimated all cancers incidence Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020								
	Estimated colorectal cancer incidence Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020								
	Estimated breast cancer incidence								
	Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020  Estimated cervical cancer incidence								
	Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020  Estimated prostate cancer incidence								
	Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020								
	Estimated stomach cancer incidence Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020								
	Estimated lung cancer incidence Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020								
	Estimated liver cancer incidence Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020								
	Estimated premature all cancers mortality Source: ECIS - Coverage: 27+2 - Dimensions: country, sex - Years: 2020								
	Estimated premature colorectal cancer mortality								
	Source: ECIS - Coverage: 27+2 - Dimensions: country, sex - Years: 2020  Estimated premature breast cancer mortality								
	Source: ECIS - Coverage: 27+2 - Dimensions: country, sex - Years: 2020  Estimated premature cervical cancer mortality								
	Source: ECIS - Coverage: 27+2 - Dimensions: country, sex - Years: 2020  Estimated premature prostate cancer mortality								
	Source: ECIS - Coverage: 27+2 - Dimensions: country, sex - Years: 2020								
	Estimated premature stomach cancer mortality  Source: ECIS - Coverage: 27+2 - Dimensions: country, sex - Years: 2020								
	Estimated premature lung cancer mortality  Source: ECIS - Coverage: 27+2 - Dimensions: country, sex - Years: 2020								
	Estimated premature liver cancer mortality Source: ECIS - Coverage: 27+2 - Dimensions: country, sex - Years: 2020								
	All cancers mortality relative change from 2020 to 2040 Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020-2040								
	Colorectal mortality relative change from 2020 to 2040 Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020-2040								
	Breast mortality relative change from 2020 to 2040								
	Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020-2040  Cervical mortality relative change from 2020 to 2040								
	Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020-2040  Prostate mortality relative change from 2020 to 2040								
1. Cancer burden	Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020-2040								
	Stomach mortality relative change from 2020 to 2040 Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020-2040								
	Lung mortality relative change from 2020 to 2040 Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020-2040								
	Liver mortality relative change from 2020 to 2040 Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020-2040								
	All cancers incidence relative change from 2020 to 2040 Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020-2040								
	Colorectal incidence relative change from 2020 to 2040 Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020-2040								
	Breast incidence relative change from 2020 to 2040								
	Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020-2040  Cervical incidence relative change from 2020 to 2040								
	Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020-2040  Prostate incidence relative change from 2020 to 2040								
	Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020-2040								
	Stomach incidence relative change from 2020 to 2040 Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020-2040								
	Lung incidence relative change from 2020 to 2040 Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020-2040								

	Liver incidence relative change from 2020 to 2040 Source: ECIS - Coverage: 27+2 - Dimensions: country, sex, age - Years: 2020-2040	+
	Estimated cancer deaths attributable to ambient particulate matter pollution Source: IHME - Coverage: 27+2 - Dimensions: country, age - Years: 2019	-
	Estimated cancer deaths attributable to household air pollution from solid fuels	
	Source: IHME - Coverage: 27+2 - Dimensions: country, age - Years: 2019	
	Estimated cancer deaths attributable to occupational carcinogens Source: IHME - Coverage: 27+Norway - Dimensions: country - Years: 2019	<b>—</b>
	Estimated cancer deaths attributable to residential radon	
	Source: IHME - Coverage: 27+Norway - Dimensions: country - Years: 2019  Estimated cancer disability-adjusted life years	
	Source: IHME - Coverage: 27+2 - Dimensions: country, sex, income - Years: 2019	
	Total cost of cancer Source: Hofmarcher et al. 2020. Coverage: 27+2 - Dimensions: country - Years: 2018	<b>—</b>
	Productivity losses due to premature mortality from cancer	
	Source: Hofmarcher et al. 2020 - Coverage: 27+2 - Dimensions: country, sex - Years: 2018  Estimated lung cancer deaths attributable to PM2.5 (Projections until 2050)	
	Source: JRC. Coverage: 27+2 - Dimensions: country - Years: 2015-2050	
	Estimated cancer deaths attributable to second-hand smoke Source: IHME - Coverage: 27+Norway - Dimensions: country - Years: 2019	<b>•</b>
	Incidence rate of cancers attributable to alcohol drinking	
	Source: IARC - Coverage: 27+2 - Dimensions: country, sex - Years: 2020  Incidence rate of cancers attributable to helicobacter pylori	
	Source: IARC - Coverage: 27+2 - Dimensions: country, sex - Years: 2018	
	Incidence rate of cancers attributable to hepatitis B virus Source: IARC - Coverage: 27+2 - Dimensions: country, sex - Years: 2018	<b>+</b>
	Incidence rate of cancers attributable to hepatitis C virus	
	Source: IARC - Coverage: 27+2 - Dimensions: country, sex - Years: 2018  Incidence rate of cancers attributable to human papillomavirus	
	Source: IARC - Coverage: 27+2 - Dimensions: country, sex - Years: 2018	
	Incidence rate of cancers attributable to Epstein-Barr virus Source: IARC - Coverage: 27+2 - Dimensions: country, sex - Years: 2018	<b>•</b>
	Potential years of life lost due to lung cancer	
	Source: OECD Stat - Coverage: 21+2 - Dimensions: country - Years: 2010-2021  Potential years of life lost due to stomach cancer	
	Source: OECD Stat - Coverage: 21+2 - Dimensions: country - Years: 2010-2021	
	Potential years of life lost due to colorectal cancer Source: OECD Stat - Coverage: 21+2 - Dimensions: country - Years: 2010-2021	<b>+</b>
	Daily smokers of cigarettes Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019	-
	Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  People affected by obesity	
	Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  People affected by obesity  Source: Eurostat - To be replaced.	
	Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  People affected by obesity	
	Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  People affected by obesity Source: Eurostat - To be replaced.  Daily consumption of at least 5 portions of fruit and vegetables	
	Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  People affected by obesity Source: Eurostat - To be replaced.  Daily consumption of at least 5 portions of fruit and vegetables Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Percentage of people not performing any aerobic physical activity Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Annual mean concentration (µg/m3) of particulate matter 2.5 (PM2.5) at urban background stations in agglomerations	
	Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  People affected by obesity Source: Eurostat - To be replaced.  Daily consumption of at least 5 portions of fruit and vegetables Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Percentage of people not performing any aerobic physical activity Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Annual mean concentration (µg/m3) of particulate matter 2.5 (PM2.5) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019	
	Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  People affected by obesity Source: Eurostat - To be replaced.  Daily consumption of at least 5 portions of fruit and vegetables Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Percentage of people not performing any aerobic physical activity Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Annual mean concentration (µg/m3) of particulate matter 2.5 (PM2.5) at urban background stations in agglomerations	
2. Prevention	Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  People affected by obesity Source: Eurostat - To be replaced.  Daily consumption of at least 5 portions of fruit and vegetables Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Percentage of people not performing any aerobic physical activity Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Annual mean concentration (µg/m3) of particulate matter 2.5 (PM2.5) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Annual mean concentration (µg/m3) of particulate matter 10 (PM10) at urban background stations in agglomerations	
2. Prevention	Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  People affected by obesity Source: Eurostat - To be replaced.  Daily consumption of at least 5 portions of fruit and vegetables Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Percentage of people not performing any aerobic physical activity Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Annual mean concentration (µg/m3) of particulate matter 2.5 (PM2.5) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Annual mean concentration (µg/m3) of particulate matter 10 (PM10) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Frequency of alcohol consumption Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2014, 2019  Quantity of alcohol consumption	
2. Prevention	Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  People affected by obesity Source: Eurostat - To be replaced.  Daily consumption of at least 5 portions of fruit and vegetables Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Percentage of people not performing any aerobic physical activity Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Annual mean concentration (µg/m3) of particulate matter 2.5 (PM2.5) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Annual mean concentration (µg/m3) of particulate matter 10 (PM10) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Frequency of alcohol consumption Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019	
2. Prevention	Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  People affected by obesity Source: Eurostat - To be replaced.  Daily consumption of at least 5 portions of fruit and vegetables Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Percentage of people not performing any aerobic physical activity Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Annual mean concentration (µg/m3) of particulate matter 2.5 (PM2.5) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Annual mean concentration (µg/m3) of particulate matter 10 (PM10) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Frequency of alcohol consumption Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2014, 2019  Quantity of alcohol consumption Source: WHO - Coverage: 20+2 - Dimensions: country - Years: 2016, 2018  Girls aged 15 years old that received the recommended doses of HPV vaccine Source: WHO - Coverage: 27+2 - Dimensions: country - Years: 2012-2020	
2. Prevention	Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  People affected by obesity Source: Eurostat - To be replaced.  Daily consumption of at least 5 portions of fruit and vegetables Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Percentage of people not performing any aerobic physical activity Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Annual mean concentration (µg/m3) of particulate matter 2.5 (PM2.5) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Annual mean concentration (µg/m3) of particulate matter 10 (PM10) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Frequency of alcohol consumption Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2014, 2019  Quantity of alcohol consumption Source: WHO - Coverage: 20+2 - Dimensions: country - Years: 2016, 2018  Girls aged 15 years old that received the recommended doses of HPV vaccine	
2. Prevention	People affected by obesity Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  People affected by obesity Source: Eurostat - To be replaced.  Daily consumption of at least 5 portions of fruit and vegetables Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Percentage of people not performing any aerobic physical activity Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Annual mean concentration (µg/m3) of particulate matter 2.5 (PM2.5) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Annual mean concentration (µg/m3) of particulate matter 10 (PM10) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Frequency of alcohol consumption Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Quantity of alcohol consumption Source: WHO - Coverage: 20+2 - Dimensions: country - Years: 2016, 2018  Girls aged 15 years old that received the recommended doses of HPV vaccine Source: WHO - Coverage: 27+2 - Dimensions: country - Years: 2012-2020  Daily exposure to tobacco smoke indoors Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Population-weighted average of indoor radon concentration	
2. Prevention	People affected by obesity Source: Eurostat - To be replaced.  Daily consumption of at least 5 portions of fruit and vegetables Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Percentage of people not performing any aerobic physical activity Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Annual mean concentration (µg/m3) of particulate matter 2.5 (PM2.5) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Annual mean concentration (µg/m3) of particulate matter 10 (PM10) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Frequency of alcohol consumption Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2014, 2019  Quantity of alcohol consumption Source: WHO - Coverage: 20+2 - Dimensions: country - Years: 2016, 2018  Girls aged 15 years old that received the recommended doses of HPV vaccine Source: WHO - Coverage: 27+2 - Dimensions: country - Years: 2012-2020  Daily exposure to tobacco smoke indoors Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2014, 2019  Population-weighted average of indoor radon concentration Source: JRC - Coverage: 22+2 - Dimensions: country - Years: 2019  Coverage of hepatitis immunization among 1-year-olds	
2. Prevention	Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  People affected by obesity Source: Eurostat - To be replaced.  Daily consumption of at least 5 portions of fruit and vegetables Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Percentage of people not performing any aerobic physical activity Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Annual mean concentration (μg/m3) of particulate matter 2.5 (PM2.5) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Annual mean concentration (μg/m3) of particulate matter 10 (PM10) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Frequency of alcohol consumption Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2014, 2019  Quantity of alcohol consumption Source: WHO - Coverage: 20+2 - Dimensions: country - Years: 2016, 2018  Girls aged 15 years old that received the recommended doses of HPV vaccine Source: WHO - Coverage: 27+2 - Dimensions: country - Years: 2012-2020  Daily exposure to tobacco smoke indoors Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2014, 2019  Population-weighted average of indoor radon concentration Source: JRC - Coverage: 22+2 - Dimensions: country - Years: 2019  Coverage of hepatitis immunization among 1-year-olds Source: WHO - Coverage: 27+2 - Dimensions: country - Years: 2019	
2. Prevention	People affected by obesity Source: Eurostat - To be replaced.  Daily consumption of at least 5 portions of fruit and vegetables Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Percentage of people not performing any aerobic physical activity Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Annual mean concentration (µg/m3) of particulate matter 2.5 (PM2.5) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Annual mean concentration (µg/m3) of particulate matter 10 (PM10) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Frequency of alcohol consumption Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2014, 2019  Quantity of alcohol consumption Source: WHO - Coverage: 20+2 - Dimensions: country - Years: 2016, 2018  Girls aged 15 years old that received the recommended doses of HPV vaccine Source: WHO - Coverage: 27+2 - Dimensions: country - Years: 2012-2020  Daily exposure to tobacco smoke indoors Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2014, 2019  Population-weighted average of indoor radon concentration Source: JRC - Coverage: 22+2 - Dimensions: country - Years: 2019  Coverage of hepatitis immunization among 1-year-olds	
2. Prevention	Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  People affected by obesity Source: Eurostat - To be replaced.  Daily consumption of at least 5 portions of fruit and vegetables Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Percentage of people not performing any aerobic physical activity Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Annual mean concentration (μg/m3) of particulate matter 2.5 (PM2.5) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Annual mean concentration (μg/m3) of particulate matter 10 (PM10) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Frequency of alcohol consumption Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2014, 2019  Quantity of alcohol consumption Source: WHO - Coverage: 20+2 - Dimensions: country - Years: 2016, 2018  Girls aged 15 years old that received the recommended doses of HPV vaccine Source: WHO - Coverage: 27+2 - Dimensions: country - Years: 2012-2020  Daily exposure to tobacco smoke indoors Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2014, 2019  Population-weighted average of indoor radon concentration Source: JRC - Coverage: 27+2 - Dimensions: country - Years: 2019  Coverage of hepatitis immunization among 1-year-olds Source: WHO - Coverage: 27+2 - Dimensions: country - Years: 2019	
2. Prevention	People affected by obesity Source: Eurostat - To be replaced.  Daily consumption of at least 5 portions of fruit and vegetables Source: Eurostat - To be replaced.  Percentage of people not at least 5 portions of fruit and vegetables Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Percentage of people not performing any aerobic physical activity Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Annual mean concentration (μg/m3) of particulate matter 2.5 (PM2.5) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Annual mean concentration (μg/m3) of particulate matter 10 (PM10) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Frequency of alcohol consumption Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2014, 2019  Quantity of alcohol consumption Source: WHO - Coverage: 20+2 - Dimensions: country - Years: 2016, 2018  Girls aged 15 years old that received the recommended doses of HPV vaccine Source: WHO - Coverage: 27+2 - Dimensions: country - Years: 2012-2020  Daily exposure to tobacco smoke indoors Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Population-weighted average of indoor radon concentration Source: JRC - Coverage: 27+2 - Dimensions: country - Years: 2019  Coverage of hepatitis immunization among 1-year-olds Source: WHO - Coverage: 27+2 - Dimensions: country - Years: 2019  Percentage of overweight and/or obese population Source: Eurostat (1)(2) - Coverage: 27+2 - Dimensions: country, sex, age, education - Years: 2014, 2019  Women that self-reported to have never had a breast examination by X-ray Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2019	
2. Prevention  3. Early detection	Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  People affected by obesity Source: Eurostat - To be replaced.  Daily consumption of at least 5 portions of fruit and vegetables Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Percentage of people not performing any aerobic physical activity Source: Eurostat - Coverage: 27+2 - Dimensions: country, sex, age, urbanisation, education - Years: 2014, 2019  Annual mean concentration (µg/m3) of particulate matter 2.5 (PM2.5) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Annual mean concentration (µg/m3) of particulate matter 10 (PM10) at urban background stations in agglomerations Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2010, 2019  Frequency of alcohol consumption Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2014, 2019  Prequency of alcohol consumption Source: WHO - Coverage: 20+2 - Dimensions: country - Years: 2014, 2019  Girls aged 15 years old that received the recommended doses of HPV vaccine Source: WHO - Coverage: 27+2 - Dimensions: country - Years: 2014, 2019  Population-weighted average of indoor radon concentration Source: JRC - Coverage: 22+2 - Dimensions: country - Years: 2014, 2019  Population-weighted average of indoor radon concentration Source: JRC - Coverage: 27+2 - Dimensions: country - Years: 2019  Coverage of hepatitis immunization among 1-year-olds Source: WHO - Coverage: 27+2 - Dimensions: country - Years: 2019  Women that self-reported to have never had a breast examination by X-ray Source: Eurostat - Coverage: 27+2 - Dimensions: country - Years: 2019
